CHAPTER 718

An act to amend Sections 25845 and 38773.5 of the Government Code, relating to nuisance abatement.

[Approved by Governor September 21, 1996. Filed
with Secretary of State September 23, 1996.]

LEGISLATIVE COUNSEL'S DIGEST

AB 545, Mazzoni. Nuisance abatement.

Existing law permits a county board of supervisors to establish a procedure for the abatement of a nuisance.

This bill would provide that in any action to abate a nuisance the owner of the parcel upon which the nuisance is found to exist shall be liable for all costs of abatement incurred by the county, as specified. The bill would authorize a county to provide for the recovery of attorneys' fees by the prevailing party, as specified.

Existing law authorizes the legislative body of a city to establish a procedure, by ordinance, to collect nuisance abatement costs and related administrative costs by a nuisance abatement lien.

This bill would also authorize a city to provide for the recovery of attorneys' fees by the prevailing party, as specified.

The people of the State of California do enact as follows:

SECTION 1. Section 25845 of the Government Code is amended to read:

25845. (a) The board of supervisors, by ordinance, may establish a procedure for the abatement of a nuisance. The ordinance shall, at a minimum, provide that the owner of the parcel, and anyone known to the board of supervisors to be in possession of the parcel, be given notice of the abatement proceeding and an opportunity to appear before the board of supervisors and be heard prior to the abatement of the nuisance by the county. However, nothing in this section prohibits the summary abatement of a nuisance upon order of the board of supervisors, or upon order of any other county officer authorized by law to summarily abate nuisances, if the board or officer determines that the nuisance constitutes an immediate threat to public health or safety.

(b) In any action to abate a nuisance, whether by administrative proceedings, judicial proceedings, or summary abatement, the owner of the parcel upon which the nuisance is found to exist shall be liable for all costs of abatement incurred by the county, including, but not limited to, administrative costs, and any and all costs incurred

in the physical abatement of the nuisance. Recovery of costs pursuant to this section shall be in addition to and shall not limit any prevailing party's right to recover costs pursuant to Sections 1032 and 1033.5 of the Code of Civil Procedure or any other provision of law.

(c) A county may, by ordinance, provide for the recovery of attorneys' fees in any action, administrative proceeding, or special proceeding to abate a nuisance. If the ordinance provides for the recovery of attorneys' fees, it shall provide for recovery of attorneys' fees by the prevailing party, rather than limiting recovery of attorneys' fees to the county if it prevails. The ordinance may limit recovery of attorneys' fees by the prevailing party to those individual actions or proceedings in which the county elects, at the initiation of that individual action or proceeding, to seek recovery of its own attorneys' fees. In no action, administrative proceeding, or special proceeding shall an award of attorneys' fees to a prevailing party exceed the amount of reasonable attorneys' fees incurred by the county in the action or proceeding.

(d) If the owner fails to pay the costs of the abatement upon demand by the county, the board of supervisors may order the cost of the abatement to be specially assessed against the parcel. The assessment may be collected at the same time and in the same manner as ordinary county taxes are collected, and shall be subject to the same penalties and the same procedure and sale in case of delinquency as are provided for ordinary county taxes. All laws applicable to the levy, collection, and enforcement of county taxes are applicable to the special assessment.

(e) If the board of supervisors specially assesses the cost of the abatement against the parcel, the board also may cause a notice of abatement lien to be recorded. The notice shall, at a minimum, identify the record owner or possessor of property, set forth the last known address of the record owner or possessor, set forth the date upon which abatement of the nuisance was ordered by the board of supervisors and the date the abatement was complete, and include a description of the real property subject to the lien and the amount of the abatement cost.

(f) However, if the board of supervisors does not cause the recordation of a notice of abatement lien pursuant to subdivision (e), and any real property to which the costs of abatement relates has been transferred or conveyed to a bona fide purchaser for value, or a lien on a bona fide encumbrancer for value has been created and attaches to that property, prior to the date on which the first installment of county taxes would become delinquent, then the cost of abatement shall not result in a lien against that real property but shall be transferred to the unsecured roll for collection.

(g) Recordation of a notice of abatement lien pursuant to subdivision (e) has the same effect as recordation of an abstract of a money judgment recorded pursuant to Article 2 (commencing with

Section 697.310) of Chapter 2 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure. The lien created has the same priority as a judgment lien on real property and continues in effect until released. Upon order of the board of supervisors, or any county officer authorized by the board of supervisors to act on its behalf, an abatement lien created under this section may be released or subordinated in the same manner as a judgment lien on real property may be released or subordinated.

(h) The board of supervisors may delegate the hearing required by subdivision (a), prior to abatement of a public nuisance, to a hearing board designated by the board of supervisors. The hearing board shall make a written recommendation to the board of supervisors. The board of supervisors may adopt the recommendation without further notice of hearing, or may set the matter for a de novo hearing before the board of supervisors.

(i) The board of supervisors may, by ordinance, delegate to a hearing officer appointed pursuant to Section 27720 the powers and duties specified by this section.

SEC. 2. Section 38773.5 of the Government Code is amended to read:

38773.5. (a) As an alternative to the procedure authorized by Section 38773.1, the legislative body may by ordinance establish a procedure for the abatement of a nuisance and make the cost of abatement of a nuisance upon a parcel of land a special assessment against that parcel.

(b) A city may, by ordinance, provide for the recovery of attorneys' fees in any action, administrative proceeding, or special proceeding to abate a nuisance. If the ordinance provides for the recovery of attorneys' fees, it shall provide for recovery of attorneys' fees by the prevailing party, rather than limiting recovery of attorneys' fees to the city if it prevails. The ordinance may limit recovery of attorneys' fees by the prevailing party to those individual actions or proceedings in which the city elects, at the initiation of that individual action or proceeding, to seek recovery of its own attorneys' fees. In no action, administrative proceeding, or special proceeding shall an award of attorneys' fees to a prevailing party exceed the amount of reasonable attorneys' fees incurred by the city in the action or proceeding.

(c) Any procedure established pursuant to this section shall include notice, by certified mail, to the property owner, if the property owner's identity can be determined from the county assessor's or county recorder's records. The notice shall be given at the time of imposing the assessment and shall specify that the property may be sold after three years by the tax collector for unpaid delinquent assessments. The tax collector's power of sale shall not be affected by the failure of the property owner to receive notice. The assessment may be collected at the same time and in the same

manner as ordinary municipal taxes are collected, and shall be subject to the same penalties and the same procedure and sale in case of delinquency as provided for ordinary municipal taxes. All laws applicable to the levy, collection and enforcement of municipal taxes shall be applicable to the special assessment. However, if any real property to which the cost of abatement relates has been transferred or conveyed to a bona fide purchaser for value, or if a lien of a bona fide encumbrancer for value has been created and attaches thereon, prior to the date on which the first installment of the taxes would become delinquent, then the cost of abatement shall not result in a lien against the real property but instead shall be transferred to the unsecured roll for collection.

(d) A local agency that has imposed an assessment pursuant to this section may, subject to the requirements applicable to the sale of property pursuant to Section 3691 of the Revenue and Taxation Code, conduct a sale of vacant residential developed property for which the payment of that assessment is delinquent.

(e) Notices or instruments relating to the abatement proceeding or special assessment shall be entitled to recordation.
